The Board had a discussion on making a presentation to City Council regarding the work and development activity of the Brighton Housing Authority and the Board Commissioners contributions to the Board. The recommendation was to do this during a City of Brighton Study Session. Commissioner Miller stated that she would put something together and send it out individually to the rest of the Board for input and additions. This would include what projects BHA has done and what is in the development pipeline.

9. EXECUTIVE SESSION:

The BHA Board learned of an executive-session-worthy issue after the agenda was posted and decided to go into Executive Session during the meeting since the topic truly could not have been known earlier, and the Board made a proper motion in open session stating the statutory basis and topic. The basis stated in

open session was C.R.S Section 24-6-402(4)(b), conferences with an attorney for the public entity for the purposes of seeking legal advice as to how to proceed as a Board with the issue being perceived conflicts of interest real or apparent by a City Council Commissioner on the BHA Board also questioning the duty of loyalty and alleging a conflict of interest as stated in the open meeting and of receiving legal advice on specific legal questions. Commissioner Bowen moved to go into Executive Session seconded by Commissioner Lambert for the purpose of a conference with the BHA attorney for the purpose of receiving legal advice of a specific legal question as described above. Commissioner Bowen read the following portion of Article II, Section 1 of the BHA Bylaws: "Those City Council Commissioners with conflicts of interest, real or apparent, related to the affairs of the Authority shall declare the existence of such conflict at open meeting and, if such conflict cannot be resolved, waived or otherwise reconciled, then such member shall be excused from serving as an Authority Commissioner and a replacement City Council Commissioner shall be appointed." With at least the required 2/3 affirmative votes to go into Executive Session, the BHA Board voted 4 ayes 2 nays and the Board Chair Michelle Miller proceeded to move into Executive Session at 4:47 pm and the Board came out of Executive Session at 6:40 pm. The Executive Session was for a conference with the BHA attorney for the purpose of receiving legal advice on specific legal questions under C.R.S Section 24-6-402(4)(b) as described above.

10. EXECUTIVE DIRECTOR UPDATE:

Debra Bristol provided an update on development activities. She shared a chart that showcases the impact of the Brighton Housing Authority. She shared that the BHA development pipeline is improving the percentage of affordable housing but only if BHA does construction and preservation. She also shared that the annual unit average with this pipeline would be 104.4. Commissioner Rose asked if BHA has met the housing goal to which Debra Bristol replied that BHA has and has met the goal outlined and required by Proposition 123. There was a discussion about the City of Brighton's housing needs assessment and how BHA ties into that. Debra Bristol mentioned that the City's housing needs assessment is different from BHA's and that the housing authority has more limitations that come into play regarding how many units can be developed/produced. She mentioned that the housing authority would need more help and financing from other organizations in order to reach the City of Brighton's housing needs assessment goals. The Board Commissioners discussed that there will always be a need for more housing in the area and it is difficult to meet that need given the financial constraints.

Re: Staff Memo #1: Ravenfield Senior Apartments Development Activities (RESO #26-02-01)

Purpose:

The purpose is to approve and authorize the Brighton Housing Authority ("BHA") to engage and affirm certain development activities in anticipation of a April 2026 closing of Ravenfield Senior Apartments. a 46-unit multifamily affordable housing rental project for seniors ("Ravenfield" or the "Project"). The Project is a age-qualifying (62+) community which will include 46 units (41 1BR and 5 2BR) at a mix of 30%, 50% and 60% AMI. The Project is expected to start construction following Project closing. Construction duration is estimated to occur over a period of fifteen (15) months.

Previous Board approved Resolution 25-09-02 ratified the following necessary development activities required for the Project:

- Conveyance of the property of the Project (the "Property") to the Partnership at the time of financial closing
- The formation of or partnership with an unaffiliated nonprofit corporation to serve as a limited partner in the Partnership
- Execute Letters of Intent for both debt and equity financing
- Execute and record the Project's final Plat Map with the City of Brighton
- Execute both a Development Agreement and Fee Reduction Agreement with the City of Brighton
- Proceed with applying for and the execution of gap financing grants/loans with relevant partners, such as the State of Colorado, Department of Local Affairs, Division of Housing
- Enter into a Memorandum of Understanding with Adams County outlining environmental review responsibilities for BHA projects that receive federal funds
- Engage in procurement activities up to \$600,000 prior to the execution of a construction contract
- Execute contracts with the Project Partners listed below and other necessary Project contractors

Additional development activities necessary for an April 2026 closing for Board review and consideration are as follows:

Conveyance of Land:

In December 2023, BHA was awarded America Rescue Plan Act Coronavirus State and Local Fiscal Recovery Funds (“SLFRF”) from Adams County to purchase and land bank approximately 5 acres of land for sale by the First Presbyterian Church in Brighton. At Project closing, BHA will sale and convey the land to the Partnership for a purchase price of \$1,100,000.

Partnership Structure:

Following the award of a 9% low-income housing tax credit (“LIHTC”) reservation and an allocation of Colorado Housing Tax Credits (“HTC”) in June 2025 from the Colorado Housing Finance Authority (“CHFA”), BHA formed two entities. The first entity is a limited liability limited partnership known as Ravenfield LLLP (“Owner” or the “Partnership”) that is to be the owner of the Project. The second entity formed, known as Ravenfield GP, LLC (“General Partner”), will act as the general partner of the Owner, with BHA as its sole member and manager. At closing and detailed in the Amended and Restated Agreement of the Limited Liability Limited Partnership, BHA will withdraw as the limited partner.

In addition, and as ratified by the Board in September 2025, BHA formed a Colorado nonprofit known as PHA Housing Partnership Inc. (“PHAHP”), to serve as the sole member and manager of Ravenfield ALP LLC. An entity, upon formation, will fill the role of the Partnership’s Administrative Limited Partner.

Partnership Name	Ravenfield, LLLP	100.00%
General Partner	Ravenfield GP, LLC	0.010%
