*Full size burial plots can have one upright monument and one flat marker. There can be 4 cremations and one full burial in a plot or 8 cremations. At least 2 full working day's notice must be given to the Cemetery Staff for the intention to bury remains of any person in the Brighton Cemeteries. More time may be needed due to temperature and frozen grounds.

*Value Pricing Plots: Due to the sound and hustle of Highway 85, we offer a Flat Marker Section. No upright markers are allowed. Section 27, Blocks 305-313 and 360-383.

*Please see Cemetery Staff regarding private estate options.

*Payment Plan: Payment Plans can ONLY be made on the gravesite and perpetual care, NOT opening and closing. \$100.00 down payment ADMIN FEE Per Grave is required. This fee is not included with the grave site and perpetual care. The gravesite would have to be paid in full, including opening and closing fees to be utilized. A headstone WILL NOT be set on any graves that have not been paid for in full. If a family buys 4 graves and uses 1, a headstone cannot cover the unpaid graves spaces until paid off. Payments start 1 month from the contract date and receiving Admin Fee. Customer will be given 2 years from contract date to pay off graves in full. If payment in full is not received in 2 years from contract date the City of Brighton reserves the right to place the unused grave spaces back into inventory to be sold. The customer would not lose the money that was paid into the space; the money would then go to a new burial space at the current prices.
