

HELP FOR HOMES

May 2, 2020

BE A PART OF OUR HELP FOR HOMES (HFH) 2020 EVENT FOR LOW INCOME SENIOR AND DISABLED HOMEOWNERS

The HFH is a service to Brighton's low income senior or permanently disabled homeowners who need exterior home repairs, painting and yard work and cannot afford a commercial company to provide these services. Gratefully, over the years hundreds of volunteers have rallied to fill the gap - providing free labor and optimism - one house at a time. This is the 15th year and we have already helped 255 homeowners! Let's keep the program going!

Join us on Saturday, May 2 to help those in Brighton needing assistance with their homes.
