

WE DON'T WASTE

INNOVATIVE FOOD RECOVERY FOR THE HUNGRY

Our Mission

We Don't Waste supports the community and environment by reclaiming and redistributing quality food to those in need.

WE DON'T WASTE
INNOVATIVE FOOD RECOVERY FOR THE HUNGRY

About We Don't Waste

We believe that good food should go to people, not landfills.

- Since 2009, we've recovered and distributed more than 115 MILLION servings of food
- We distribute food to food pantries, soup kitchens, shelters, school programs, and directly to families at our Mobile Food Markets
- We accept all kinds of food!

W

The Need

- Nearly 1 in 11 Coloradans (9.2%) struggle with hunger, not always having enough money to buy food
- And...Nearly 1 in 7 Colorado kids (14%) may not know when or where they will get their next meal
- Yet, 40% of the food produced in the U.S. is thrown away

We Don't Waste's Origins

- Founded in 2009, with just a Volvo station wagon
 - Focused primarily on caterers and some restaurants
- From the Volvo, We Don't Waste grew to a small passenger van
- We now have three refrigerated trucks, with a fourth on the way!

Environmental Impact

- Almost 30 million pounds of food kept from landfill
- > 46 million pounds of greenhouse gases diverted – equal to removing 4,603 cars from the road for a year!
- Prevented the waste of > 2 billion pounds of water used to produce food
