WREATHS ACROSS AMERICA

The City of Brighton Cemeteries has been participating in Wreaths Across America since 2019. Wreaths Across America is a non-for-profit organization dedicated to helping families honor their loved ones by sending wreaths to cemeteries, monuments and state houses across the country and sponsoring annual National Remembrance ceremonies. This program is funded by sponsorships by people just like you. We need your help to make this dream a reality. Please help us reach our goal by donating today by scanning the QR code below. Wreaths will be placed on veterans graves every year on Wreaths Across America Day at Elmwood and Fairview Cemeteries.
