### Case Report 22-7051

On Dec. 31, at around 6:30 p.m., officers responded to 18th Avenue and Bridge Street for a serious crash. When officers arrived, they found a single vehicle crashed into a tree near the intersection. The driver, a 20-year-old male, was unconscious and unresponsive. He was not wearing a seatbelt. Officers removed the driver from the vehicle and began performing CPR. He was taken to the hospital and pronounced deceased a short time later. Members of the Traffic Safety Unit are investigating this crash, and drugs or alcohol are NOT suspected to be a contributing factor.

### Case Report 23-0008

On Jan. 1, at around 4 a.m., officers were dispatched to the 100 block of South 12th Avenue for a medical call involving a gunshot wound. Upon arrival, they found a 15-year-old male with a gunshot wound to his leg. Officers noticed the juvenile was losing a lot of blood and applied a tourniquet to help stop the bleeding. The juvenile and his friends told police that someone in a passing vehicle had shot him. Officers conducted a canvass of the area, and did not find evidence of a drive-by shooting. The Investigations Division is actively working on this case, and there is no ongoing threat to the community.

## **THIS WEEK'S SAFETY TIP**

As a firearm owner, it is your responsibility to ensure that guns in your home are stored where they are inaccessible to children or other unauthorized persons. Hiding a gun in a closet, drawer or similar location is not safe storage.

Safe storage is employing precautions and multiple safeguards that provide an additional barrier against unauthorized use. **Ideally, cable-style locks should be used in addition to primary storage system like a gun safe or vault.**

The Brighton Police Department participates in Project ChildSafe and has free gun locks available! Stop by the Police Department at 3401 E. Bromley Ln. and ask for one at the front desk. Questions? Call 303-655-8747.
