SECTION 1

SIGNIFICANT EVENTS

Case Report 23-3495

On June 22 Officers responded to Midgard Self Storage at 1455 S. 4th Ave on a report of a burglary. Video surveillance at the property captured a couple burglarizing storage units. Through the video surveillance and employees at the storage facility the couple was identified. Through police databases Sgt. Garcia learned where the female worked and sent the local police department to contact the female. The officers in that jurisdiction were familiar with the couple and while they weren't able to make contact with her at her place of employment, the officers were able to contact both the male and female at a storage facility in their jurisdiction. Brighton Police responded to that jurisdiction and took custody of both parties. They were booked into the Adams County Jail on charges of burglary. The District Attorney's Office later accepted charges of burglary for both individuals.

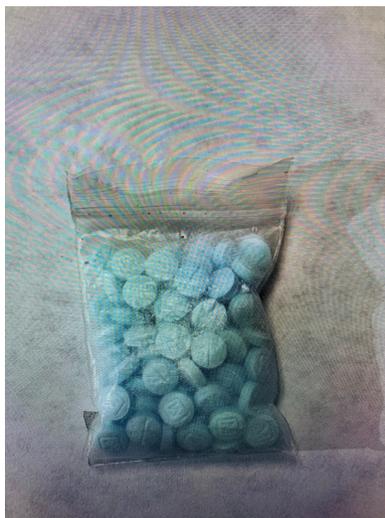

Case Report 23-3461 - Investigations

On June 20 investigations received a Crime Stoppers tip regarding the dealing of fentanyl pills (M30) in Brighton. The reporting party was able to give a name of the suspect and a rough time of when he was bringing a large amount of fentanyl pills into Brighton. Detectives were quickly able to determine where the suspect lived.

Several vehicle stops were conducted on vehicles associated with the address. These stops resulted in multiple arrests and approximately 100 M30 pills being confiscated. An additional contact was made with a party leaving the address on foot, which resulted in another arrest and approximately 170 M30 pills being confiscated.

A search warrant was applied for, and granted, for the address. BPD investigations, patrol, and the North Metro Task Force (NMTF) detectives served the warrant which resulted in four additional arrests as well as the confiscation of approximately 300 more M30 pills.

This was an outstanding example of cooperation and teamwork to take a seemingly small anonymous tip and turn it into taking dangerous drugs and people out of our community.
