SECTION 1: SIGNIFICANT EVENTS

Case Report 24-6733

On Nov. 18, just before 10:15 a.m., officers received reports of a vehicle with an unresponsive driver backed into a curb. Responding officers found a 28-year-old female driver who attempted to flee by accelerating, but her vehicle was blocked by patrol cars. She ignored commands and reached into the center console, prompting officers to use less-lethal tools, including 40mm rounds and a taser, to safely resolve the situation. The suspect was taken into custody without further incident. A search of the vehicle uncovered a machete and over 160 grams of drugs.

The suspect faces multiple charges, including possession with intent to distribute controlled substances, possession of a deadly weapon as a special offender, obstruction of a peace officer, vehicular eluding, and driving under the influence of drugs.

Case Report 24-6820

On Nov. 23, around 4:45 p.m., officers responded to a cold burglary in the 300 block of Mt. Eolus Street. The investigation revealed that while the family was away, the suspect cut the power to the house, broke in, and accessed a safe. The suspect removed the safe and fled the scene. The safe contained a significant amount of cash. This is an ongoing investigation.

Case Report 24-6833

Officers were dispatched to a hotel in the 2200 block of Medical Center Drive. The victim had his trailer parked and someone cut the straps and stole tools. The tools were worth several thousand dollars. This incident is currently being investigated.
