Case Report 25-5391: On September 26th, at around 9:00 a.m., officers responded to Bromley East Charter School, 356 Longspur Dr, to a reported live bullet round that was found by a student. The school was placed on a hold while an investigation took place. During the investigation, three unspent rounds were found on campus. No weapons were found at the school. We have not identified any evidence or information that would lead us to believe there was a direct threat to the students, faculty, or staff. This investigation is ongoing.

Case Report 25-5409: On September 27th, at around 12:28 p.m., officers responded to a theft report at a construction site in the area of Sable Blvd and E470. A light tower was stolen from the construction site. This case is ongoing and being investigated.

Case Report 25-5418: On September 27th, at around 5:00 p.m., officers responded to a report of a crash at the 3000 block of East Bridge Street. When officers arrived, they were informed of an argument between two males and the occupants of a residence. The argument escalated, and two males pointed guns at the occupants before leaving the area in a vehicle. The males returned a few minutes later and pointed guns at the occupants again. They struck an unrelated vehicle as they were driving away this time. The Adams County Sheriff's Office located the vehicle a short time later. They were arrested and brought back to the Brighton Police Department, where they were processed and then transported to the Adams County Detention Facility.
